Subject: Request for ReCAT-1 Due to Medical Reasons

Dear ma'am,

I hope you are doing well. I was recently debarred from **CAT-1** for the following courses due to attendance shortage:

- **BCSE325L – Introduction to Bitcoin**
- **BCSE332L – Deep Learning**
- **BCLE213E – Remote Sensing and GIS**

However, my absence was due to **medical reasons**, and I have a **valid medical certificate** to support my case. I would like to request permission to appear for **ReCAT-1** for these courses.

Kindly let me know the procedure for submitting my medical documents and any further steps I need to take. I would really appreciate your guidance on this matter.

Looking forward to your response.

Best regards,
Atin Sharma
